Best Gifts for the Casual Mom

Yes, even moms that are always on the run, need rest days. She may not be able to clock out from mom duties, but on those recovery days or time off from work, mom deserves to bask in ultimate luxury and comfort. Treat her to cozy and comfortable pieces that are sure to become her favorite things to lounge in the house or even at the coffee shop. Because next to receiving a comforting hug, nothing beats slipping into something light and velvety soft after a long, tiring day.
